

Ava is a digital health company with the aim to revolutionize women's health. The company is headquartered in Zurich, Switzerland with offices in San Francisco and Hong Kong and partner offices in Belgrade and Makati. Our wearable device, smart app and proprietary predictive algorithms empower women by giving them unique clinically researched insights and personalized data about their menstrual cycle, fertile window, and pregnancy delivered in a way that's convenient and non-invasive. Ava is a global, award-winning brand with strong social network communities. Our current key markets include USA, Canada, Germany, Switzerland, Spain, UK, and Hong Kong.

We are recruiting for a Medical Science Liaison, Women's Health to provide clinical and scientific support to sales counterpart, opinion leaders, community physicians, investigators and other healthcare professionals related to the current and developing Ava portfolio in the Western Region of the US. Ideal candidate will reside in or near San Francisco or Los Angeles. Reports to Director of Global Healthcare Sales and Marketing.
