

Ava is a digital health company with the aim to revolutionize women's health. The company is headquartered in Zurich, Switzerland with offices in San Francisco and Hong Kong and partner offices in Belgrade and Makati. Our wearable device, smart app and proprietary predictive algorithms empower women by giving them unique clinically researched insights and personalized data about their menstrual cycle, fertile window, and pregnancy delivered in a way that's convenient and non-invasive. Ava is a global, award-winning brand with strong social network communities. Our current key markets include USA, Canada, Germany, Switzerland, Spain, UK, and Hong Kong.

Would you like to join us on our challenging adventure? We are looking for a part-time copywriter to help build a leading global women's health brand. You should be, above all, an amazing writer who is passionate about language and serious about grammar. You will serve as one of the primary external voices of Ava, embodying Ava's mission of transforming women's health and empowering women to understand their bodies.

Copy Writer (50%)

Location: Zurich, Switzerland

Responsibilities:

- Work with a variety of stakeholders to write marketing copy that communicates our value clearly to different audiences.
- Develop and produce content for global email campaigns, digital ads, video scripts, and more
- Meet with internal partners across marketing and beyond to shape the strategy, ideation, and execution of high-quality messaging
- Write long- and short-form copy for a variety of materials, from digital advertising campaign assets to organic social captions to content marketing collateral (and lots more)
- Work closely with our design team to brainstorm concepts and copy for in-house advertising campaigns
- Create thoughtful content strategies for A/B testing headlines, display ads, buttons, etc.

About You:

- 3 – 5 years in a copywriting role at an agency or in-house marketing team
- Native English speaker and relevant degree or qualification (German and other European languages are a plus)
- Impeccable writer, grammar, and copy editing
- Excellent communication skills. Even non-written ones!
- Digital women's health, fertility, and pregnancy are complex and nuanced topics; you should be comfortable enough to talk about cervical mucus without blushing, and curious enough to research why it's important
- Confident about articulating your writing decisions to a variety of partners and stakeholders
- Ability to work quickly and efficiently to meet tight deadlines in a fast-paced startup environment
- Affinity for women's health, medical devices, and digital technology, and passion about Ava's mission to revolutionize women's health
- Swiss or EU/EFTA work permit

Would you like to contribute to a highly motivated team, with a lot of space for your own initiatives? If yes, please apply online or send your complete application to recruiting@avawomen.com.

We appreciate that you share our excitement for Ava. Please be aware that only fully documented applications (CV, motivation letter, supporting documents) including **a portfolio with at least five writing samples that showcase a variety of projects** can be considered.
