

Ava is a digital health company with the aim to revolutionize women's health. The company is headquartered in Zurich, Switzerland with offices in San Francisco and Hong Kong and partner offices in Belgrade and Makati. Our wearable device, smart app and proprietary predictive algorithms empower women by giving them unique clinically researched insights and personalized data about their menstrual cycle, fertile window, and pregnancy delivered in a way that's convenient and non-invasive. Ava is a global, award-winning brand with strong social network communities. Our current key markets include USA, Canada, Germany, Switzerland, Spain, UK, and Hong Kong.

Would you like to support us in conducting clinical trials to further develop our Ava bracelet for planning, preventing and monitoring pregnancy? For this research project in co-operation with University Hospital Zurich we are looking for a:

Clinical Study Coordinator

Location: University Hospital Zurich and remotely Ava AG Office, Zurich, Switzerland

Please note that the duration of the contract is six months with a possible extension. We will give priority to candidates who can start with immediate effect.

Responsibilities:

- Actively support the recruitment of trial participants
- Equip new trial participants with study materials
- Onboard new trial participants under precise study guidelines in the hospital as well as remotely
- Create and maintain the study documentation
- Autonomously manage data monitoring and provide regular updates to the study team
- Independently answer questions from study participants by mail or phone

About You:

- Willingness to learn about the science behind Ava and our medical device
- Highly autonomous and motivated
- Highly structured, reliable and well organized
- Delivers results in a structured, detailed and independent manner
- Excellent communication and reporting skills
- Happy to work flexibly in a cross-functional environment
- Good knowledge of ICH-GCP
- Proficiency with MS Office
- Native or near native in (Swiss-)German as well as fluent in English; further languages are a plus
- Professional experience within clinical research would be an asset
- Swiss or EU/EFTA work permit

Would you like to contribute to a highly motivated team, with a lot of space for your own initiatives? If yes, please apply online or send your complete application to gyorgyi.hamvas@avawomen.com.

We appreciate that you share our excitement for Ava. Please be aware that only fully documented applications (CV, motivation letter, supporting documents) including can be considered.
